### Cruise with real confidence, with Fred. Olsen's Enjoyment Promise\*\*

We're so confident that you'll enjoy the whole Fred. Olsen experience that if within a couple of days of sailing you find it's not for you, let us know and we'll arrange for a flight back to the UK from the next port and give you your money back. So your relaxation starts the moment you choose Fred. Olsen.

### The Fred. Olsen difference

We don't have glitzy ships. We don't have zip wires, climbing walls, celebrity chefs or cocktail mixologists. What we do have is long-serving staff specially chosen for their friendly, welcoming personalities, 'real ships' that are regularly improved so they cater for your every need, cuisine prepared by chefs who care about their craft, not their egos, and – most importantly – a passion to show you the very best of the world.

Most cruise lines try to keep you on their ship so you'll spend more money with them. We encourage you to head off on a journey of discovery in every destination. There are more places to see in the world than anyone could fit in one lifetime – but at Fred. Olsen we think there's no harm in trying.

### Smaller but spacious

A smaller ship doesn't mean less room; far from it. Each cabin has ample space, with an en-suite bathroom and all the facilities you'll need to enjoy your holiday in comfort. In fact, our rooms are comparable in size to those on some of the mammoth cruise ships – while our vessels are of a more accessible size, you can have just as much private space.

With fewer people on board it's easy to find a quiet spot to relax in peace with a drink or a good book. There's room to stretch out by the pool and you can get ashore more quickly – without the need to fight for space with hordes of people. And when you're ashore, you're seeing the best of each port of call with hundreds of others – not thousands – giving you a much more authentic experience.

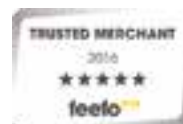

### Award-winning cruises

We'll always do our best to give you the holiday of a lifetime – but our guests and travel industry experts are the best judges of how we're doing. That's why it's so pleasing that the dedication and hard work of our staff has been recognised in many awards in recent years.

Most importantly, in over 16,000 reviews from past guests, **95% rated us Excellent or Good**, with independent review site Feefo awarding us a **Gold Trusted Merchant Accreditation** – in recognition of our excellence in customer service – for the third year in a row. Perhaps that's why people who try us once so often choose to cruise with us again. There's never been a better time to get on board with Fred. Olsen.

### **There's so much included with your cruise**

With Fred. Olsen you'll find so much is included in the cruise price. Rest assured that all of the following comes as standard:

- Comfortable rooms and suites with flat-screen TV, hairdryer, tea & coffee making facilities and individually controlled air conditioning
- Tempting dining throughout your cruise – from five course à la carte dinners to casual buffets and late night snacks
- Self-service tea & coffee at selected venues, afternoon tea with sandwiches and cakes, and in-room sandwiches and snacks
- Use of gym, swimming pools and Jacuzzis
- A wide choice of on board activities and lectures throughout the day
- All evening entertainment, including dancing, cabaret shows and live music
- Captain's Drinks Party and Gala Buffet (Gala Buffet not available on Short Breaks)
- All UK port taxes (where collectable in advance)

So you can relax and enjoy it all.

### **The right cruise at the right price**

All of the cruise prices within this brochure are Freedom Fares. These offer the best benefits and flexibility, including being able to choose your deck, room number and preferred dining time (subject to availability).

### **Shore Tours can enhance your experience**

On the following pages, we have included a selection of the many and varied tours we offer, at additional cost, to enhance your cruise experience. For the full list, visit [www.fredolsencruises.com](http://www.fredolsencruises.com)

## Canary Islands & Portugal

A relaxing cruise to the beautiful Canary Islands is the perfect escape to warmer climes from wintertime in Britain, without the need for an arduous long-haul flight. Each island retains its own unique charm, though all are blessed with eye-catching scenery that shows there's much more to the 'Sunshine Islands' than just topping up the tan, tempting though that is.

Choose from caramel-coloured beaches, sweet-smelling gardens, leafy parks, lava fields, flourishing forests and a plethora of historic and cultural attractions. Heading the list of highlights are Timanfaya National Park, mighty Mount Teide, Maspalomas Beach and the stunning San Antonio Volcano.

The delights of Portugal feature regularly on these itineraries too. From the adorable tram-lined streets and fine architecture of Lisbon to the cobbled walkways and wine cellars of Oporto, there's much to learn, feel and discover. The 'Sun, Souks & Siestas' sailing in November 2017 even includes a slice of the alluring Algarve.

All this is complemented by the 'garden island' of Madeira, an explorer's paradise bursting with colourful floral delights, wrapped in a favourable climate all year round. Pretty Porto Santo features, along with regular calls to Funchal, a firm Fred. Olsen favourite. The diverse range of destinations doesn't stop there: Casablanca and Agadir add a Moroccan twist to your journey, while in Vigo you can enjoy a splash of Spanish flair.

## Europe

**Combining wondrous waterways and stunning rural landscapes with some of the finest destinations the world has to offer... experiencing Europe is effortless when you're in the good hands of Fred. Olsen. On the following pages there are 12 expertly-constructed itineraries to choose from.**

When we say Fred. Olsen ships can take you places that others can't, we really mean it. Our ships will showcase the highlights of narrow canals, winding rivers and more in 2017, making the most of their smaller size to reach hidden gems that larger vessels simply can't access. There are even more opportunities to discover captivating French rivers; enjoy the navigation of Spain's Guadalquivir River to Seville; and glide along waterways en route to historic cities in Germany.

Alongside the popular favourites there are opportunities to discover the spectacularly scenic region known as 'Green Spain'. Two authentic explorations delve deep into coastal destinations of the area set in beautiful landscapes. An additional benefit is that we have timed some voyages to coincide with special events across the continent, including the chance to embrace the celebratory spirit of the annual Seville Fair.

Docking right in the heart of towns and cities across the region, you'll have the convenience of the highlights being only a short distance away, making everything so much easier. ## Norwegian Fjords

Norway is home to some of the most incredible scenery to be found anywhere on Earth; words struggle to do it justice. There is no doubt cruising with Fred. Olsen is the best way to fully appreciate this uniquely blessed country. We tap into our extensive Norwegian heritage – dating back over 160 years – and use the expertise of the Norwegian office across the fleet to ensure you get the very best out of your holiday.

We divert away from the less interesting direct routes between ports, navigating labyrinthine fjords out of reach to larger vessels en route to charming destinations set in awe-inspiring landscapes. Relax comfortably on deck as a fairytale picture book of soaring mountains, thundering waterfalls, gleaming glaciers, rolling green hills and rich orchards is revealed, page by page. You don't have to move, we bring it all to you.

A spellbinding journey awaits. Cruise the twisting Nærøyfjord; take an unforgettable ride on the Flåm Railway; immerse yourself in the breathtaking beauty of the Lysefjord, home to Pulpit Rock and the Kjerag Boulder perched high above; kayak the crystal-clear Hardangerfjord; marvel at the mighty Briksdal Glacier; discover unspoilt fjord villages bursting with culture; tick off the highlights of Hanseatic Bergen; and much more. Wherever you go, whatever you see, you're sure to take away memories that will last a lifetime.

## Scandinavia & the Baltic

**Join a cruise to this captivating region. Dive into a combination of engrossing, explorable cities, charming towns built on tradition, and waterways as scenic as they are historic. An inspiring and deeply cultural experience every step of the way.**

A highlight for 2017 is sure to be the 'Tall Ships & Cultural Trips' voyage, departing in July. *Braemar* will make a well-timed visit to Klaipėda, Lithuania, for a stage of the annual Tall Ships' Races, when over a hundred classic sailing vessels will converge. There's a maiden call into Baltiysk, the size-restricted gateway to Kaliningrad, too.

Elsewhere, the 'Swedish Waterways' are yours to explore in May: this very special, unique itinerary combines diverse destinations with many hours of spectacular archipelago and fjord cruising.

Finally, a choice of two sailings later in the year take in regular favourites of the region, such as the fairytale Old Town of Tallinn; the pretty Nyhavn district in Copenhagen; jewelled palaces and museums in St Petersburg; Art-Nouveau architecture in Riga; and the scenic Kiel Canal. *Balmoral's* 13-night October Baltic discovery in particular offers more authentic exploration without the tourist hordes of peak season.
